Komarek School District 94 Plan for eLearning Day

Instruction

During eLearning days, Komarek teachers will provide students with a combination of asynchronous instruction from multiple core subject areas, as well as PE and specials (ie. ELA, mathematics, science, PE, STEM, etc.) and synchronous office hours that equates to 5 hours of student participation. Students will have assignments provided electronically.

Student Access

Komarek students in K through 2nd grade have iPads and 3rd through 8th grade have Google Chromebooks. Students take home their devices and have assignments to complete in ClassDojo (Grades K-2) and Google Classroom (Grades 3-8). All teachers, co-teachers, and support staff will be available from home (9:00 am-2:00 pm) to support student learning and answer any questions via email and/or ClassDojo (Grades K-2) / Google Classroom (Grades 3-8).

For students/families without internet access or whose internet is out due to circumstances that resulted in an eLearning Day, assignment due dates will be adjusted and paper copies can be provided when we return to school. Students with special needs will have assignments modified or provided based on their IEP goals from their special education teacher or related service provider.

Communication & Attendance

Families will receive notification of an eLearning Day from District 94 via email and voicemail from the district superintendent. K-2 teachers will communicate with parents/students through ClassDojo and 3rd-8th grade teachers will communicate through Google Classroom. Students will receive communication and asynchronous assignments from any teacher and/or support staff member whom they would normally see on that day of the week. Teacher office hours will be from 1:30-2:00 pm.

Please email Mrs. Sopata at asopata@komarek94.org if you are unable to participate in elearning for the day.
